EVANGELICAL TRAINING PROGRAM MAY 2010 - JUNE 2012

The Evangelical Catholic is a national, non-profit ministry organization that forms and trains Catholics for evangelization in order to prepare them to become effective leaders in the church and genuine witnesses in the world. In the EC's Evangelization Training Program, recent graduates will be formed and trained to facilitate small group discussions and establish one-on-one mentoring relationships with college students. These ministry models will give trainees the skills to help their peers grow into strong Catholic Christians. Trainees will also be responsible for various ministry projects and must be able to organize, initiate, and meet deadlines.
